

Sonny Tan Siew Hock, 61

Long version:

Sonny Tan is the General Manager for Health & Accidents for Lonpac Insurance Bhd. He has amassed nearly four decades of experience in the insurance industry holding leadership roles on the national platform and every aspect of general insurance, including Head of Underwriting, Broking, Research & Development and Chief Executive Officer of The Pacific Insurance Bhd. During his 11 and a half years of tenure as CEO of The Pacific Insurance Bhd, he was instrumental in leading the company to quadruple their gross premium in the first ten years and remaining profitable every year thereafter.

Over the course of his illustrious career, Sonny has been actively involved in making great strides to raise the bar in the insurance industry. He served as the Health Insurance Specialist with Malaysian Life Re, Chairman of Sihat Malaysia Committee, Chairman of the Joint Technical Committee for Medical & Health Insurance and Chairman of the National Insurance Association of Malaysia (NIAM). A charismatic and passionate speaker, he has given speeches in a number of International Health Conferences and presented a paper for the SOA COP Programme in 2001.

Significantly, Sonny has more than 30 years of real estate experience, during which he acquired, managed and invested in numerous commercial and real estate assets. His wealth of knowledge and competency has made him a sought-after expert in property matters as well as in the commercial and corporate arena.

Sonny is a Chartered Insurer and holds the Associate of the Chartered Insurance Institute (ACII), the Associate of the Malaysian Insurance Institute (AMII) as well as the Associate of the Health Insurance Association of America (AHIAA), He also earned a Masters in Business Administration from the University of Strathclyde (Glasgow).

Short version:

Sonny Tan Siew Hock, 61

Chartered Insurer, Associate of the Chartered Insurance Institute (ACII),
Associate of the Malaysian Insurance Institute (AMII),
Associate of the Health Insurance Association of America (AHIAA),
Masters in Business Administration, University of Strathclyde (Glasgow)

Sonny Tan is a unique combination of insurer, real estate investor, and teacher. He has the ability to take the complex subject of risk management and make it simple for anyone to understand. Sonny understands the ins and outs of the property market and general insurance, having been a seasoned property investor and involved in every aspect of general insurance for close to four decades. He is at present the General Manager for Health & Accidents for Lonpac Insurance Bhd. Prior to that, he held leadership roles including Head of Underwriting, Broking, Research & Development and Chief Executive Officer of The Pacific Insurance Bhd. Sonny also served as the Health Insurance Specialist with Malaysian Life Re,

Chairman of Sihat Malaysia Committee, Chairman of the Joint Technical Committee for Medical & Health Insurance and Chairman of the National Insurance Association of Malaysia (NIAM).

A brilliant Chartered Insurer who is an advocate of investing in real estate, Sonny is a firm believer and living proof that the odds are in the favour of real estate investors compared to any other type of investors, if they know what they are doing. He is happy to impart his wealth of knowledge and experience in **the** real estate and commercial world, and is **a** sought-after expert in those areas.
